The Company recognises it has a Duty of Care to ensure that all work activities are undertaken with a high standard of Occupational Health and Safety procedures (OHS) for all employees, contractors and visitors. All employees have a reciprocal Duty of Care to ensure that they assist management in achieving an injury free workplace.

We are committed to achieving this through:

- gaining the total involvement and commitment of all the Company employees to achieve an accident free and healthy workplace;
- proactively seeking to eliminate unacceptable risks through a systematic risk identification and assessment process that is an integrated part of day to day operations;
- providing a level of leadership and training to ensure that work is managed to achieve a safe, efficient and productive outcome;
- complying with all applicable legislation, acts, regulations, codes of practice and standards; and
- ensuring this Health and Safety Policy is available to all the Company employees, contractors, visitors and interested parties, and that they are informed of, and understand their obligations in respect to this policy.
